## DETAILED ACTION

### *Response to Arguments*

1. The reply filed on 6 March 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

A. The applicant failed to cancelled renumbered claims 1-6 and to request examine of new claim 7. In addition, the applicant may want to response why the reference used by the examiner does not apply to newly submitted claim 7.

B. The applicant has submitted three drawings in response to the first office action. However, the drawings are objected to because of the informalities listed on Form PTO-948. In addition, the applicant needs to review the homepage for the Patent and Trademark Office on the Internet to determine if any fees are associated with the submission of the three drawings.

C. The applicant needs to modify the specifications because of the submission of the drawings. Under the heading of "The Brief Description of the Drawings", the applicant needs to incorporate a brief description of the each drawing in the specification. In addition, in "The Detailed Description", the applicant needs to incorporate the descriptions and reference numbers of the three drawings within the specification. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
